

Roster Check-In & Readiness — Quick Start

Fast path to a clean, deployable roster.

- Send 6-digit code or QR; members join to default role and availability.
- Daily availability reset at 0400 local; members re-affirm readiness.
- Admins: filter by role, qual, and readiness; export dispatch-ready list.
- Keep certs current: track Red Card, RT-130, pack test, and med/fit status.
- Comms: push mobilization details to selected group with delivery receipts.
